

Early Admissions Registration

Dear Students,

The American University of Cyprus is officially launching the Early Admissions Registration for the forthcoming **Academic year 2024-2025**.

AUCY is offering several incentives to students who choose to submit their applications during the Early Admission period:

· **Early Admissions Scholarship:**

Early applicants will be granted a 50% scholarship for their undergraduate programs.

· **Exemption from paying the Application Fee:**

The customary 55 euros application fee will be waived for early applicants.

· **Secure Enrollment:**

Early applicants will secure their enrollment at our institution, complete with an early issuance of an acceptance letter.

· **Priority Course Registration:**

Early applicants will receive preferential treatment in the course registration process for the academic year.

· **Orientation and Career Guidance:**

Our orientation team will offer personalized orientation and career guidance sessions, helping students to make the right and final decisions regarding their career choices.

· **Exclusive Campus Tour:**

Early applicants will be treated to an exclusive campus tour, giving them an insight into the campus life that awaits them.

· **Shadowing Opportunities:**

Students with specific major interests will be granted the opportunity to partake in shadowing experiences, where they will participate in practical tasks with current AUCY students related to the chosen field of study.

· **Preeminent Role in Organizing Campus Events:**

Early applicants will be given the priority to be involved in the organization of campus social events and AUCY Open Doors, and upon completion will be offered a recommendation letter issued by the University which can add value to their curriculum vitae.

The deadline for early admissions is set for **January 31, 2024**.

In order to apply for Early Admission:

- The student must submit the application form either physically at the University or by email to admissions@aucy.ac.cy

· The student must settle a 1000 euro downpayment fee to the University.

Upon application submission, the downpayment must be settled to proceed with the conditional acceptance letter for the **Academic year 2024-2025**.
